

# Hexagon Financial Services provides a hassle-free way to finance your business assets.

When your business needs new assets it helps to have experts making sure you get the right finance. Hexagon Financial Services has helped many clients obtain finance from Macquarie Leasing - a proven and trusted specialist equipment financier who provides customers with the highest level of service.

For the last 13 years, Macquarie Leasing has developed a reputation for rapid, highly personalised service and innovative financing products. They can provide funding for a wide range of business equipment, including:

- ▶ Light and heavy commercial vehicles
- ▶ Earthmoving and construction equipment
- ▶ Manufacturing and industrial plant, equipment and machinery
- ▶ Printing presses
- ▶ Computers and office equipment
- ▶ Medical and dental equipment
- ▶ Motor vehicles.

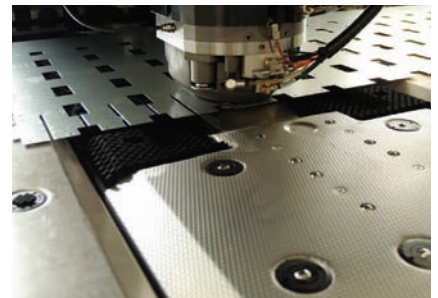

Please feel free to call me and discuss how Hexagon Financial Services can assist your business to find the best possible financing solution for your needs.

Yours sincerely,

**BILL KARRAZ**
